

~ FLORAL REGULATIONS ~

PERMITTED:

Funeral Arrangements: The Cemetery staff will place up to three (3) floral arrangements, which accompanied the casket or urn for the committal service, on the completed grave at the time of burial. This is a one-time allowance.

Natural, Cut Flowers: May be placed on graves at any time of the year. "Cemetery Cones" (the green plastic vases) are available for your use and are located in the numerous green bins found throughout the grounds.

Seasonal Exceptions: Memorial Day: One small American flag is placed at the gravesite by Cemetery Staff/Volunteers. The flag will be removed after Memorial Day weekend.

Christmas: This cemetery participates in the "Wreaths Across America" program to place a wreath at every grave from mid-December—mid-January. If you would like a wreath at your loved one's gravesite, please contact the Cemetery Office for more information.

NOT PERMITTED:

Artificial Flowers: These are not permitted at any time of year as their presence interferes with grounds maintenance.

Potted Plants/ Vases: Potted plants and breakable vases are not allowed. Any arrangements not in a green cemetery cone will be removed.

Breakable or Valuable Objects/ Mementos/ Vigils/ Etc.: Mementos, permanent plantings, statues, stuffed animals, coins, vigil lights, etc. will be removed. The Idaho Division of Veterans Services does not permit adornments that are offensive, inconsistent with the dignity of the cemetery, or considered hazardous to cemetery personnel. For example, items incorporating beads or wires may become entangled in mowers or other equipment and cause injury.

****Items may not be attached/taped/glued to the grave monuments/ columbarium wall niches at any time. This ruins the monuments, requiring extensive labor & cost to clean or replace them.****

REMOVAL & MAINTENANCE:

Claiming Removed Objects: Recoverable items removed from gravesites will be held for approximately one month. Such items may be claimed at the Cemetery Office during regular business hours. Any unclaimed items will be disposed of.

Gravesite Maintenance: Authorized flowers will be removed when they become unsightly or when it becomes necessary to facilitate cemetery operations such as mowing.
